

Fr. Paul Sobiechowski, Pastor of St. Joseph's Church becomes

Bishop of the Polish National Church, October 2011

Fr Paul Sobiechowski the Pastor of St Joseph's Catholic Church in Davie who has served the Davie Congregation for 27 years will assume his duties as Bishop of the Polish National Church located in Manchester New Hampshire.

Fr Paul provided the Polish American Congress a place to meet in 2010 when our Congress was starting its activities. After a year at that location we moved our meetings to Our Lady of Czestochowa Church.

On behalf of the Polish American Congress we congratulate Fr Paul and wish him God speed and great success in his new position. He will always be remembered by those who have known him for his great work on behalf of a multi ethnic community which comprised of most of his pastoral duties.
